

CCAS-PP-01U

19-inch 1U cable management panel for CCSS and CCSW cabinets

A 1U high organizing panel dedicated to CCSS (standing) or CCSW (hanging) series 19-inch RACK cabinets. With its help, it is possible to organize and secure the patch cables in the ICT cabinet. The ordering panel increases the transparency of the tele-technical installation, which makes it much easier to carry out subsequent maintenance work.
